Gail's comments

Perhaps send along later??

Perhaps send along later??

Send now, because of sr. exec focus??

Perhaps send along later??

Do you have this whole report. If so, you may want to send it. I haven't seen it?

I am making the assumption that this would be captured in SEARCH III follow-up report?

Full report plus key messages summary

I am making the assumption that this would be captured in SEARCH III follow-up report?
